

PROGRAM

First Annual International Conference in Memory of Vsevolod Sementsov "Philosophical Sanskrit Texts: Problems of Reading and Interpretation"

November 22 to November 28, 2022

Scientific laboratory "Center for the study of philosophy and culture of India"

"Purushottama" RUDN University together with the ANAND International College of Engineering (Jaipur, India) announces the Annual International Conference in memory of Vsevolod Sementsov "Philosophical Sanskrit Texts: Problems of Reading and Interpretation".

Conference format : face-to-face

The conference will be held from 21 November to 28 November.

Hours: 11:00–17:00 daily.

Purpose of the event:

The goal of the conference organizers is to bring together all specialists working in various areas of research in the Indian intellectual tradition, to create a permanent online and offline platform for the exchange of scientific experience, and to form new areas of research in this area. Thus, participation in the conference may be of interest to philosophers, historians of philosophy, literary critics, culturologists, religious scholars, and orientalists.

The conference is designed to contribute to the development of domestic and international Indology. Special attention is devoted to methodological approaches in philosophy, as well as questions of methodology within the interdisciplinary aspect at the intersection of the humanities and mathematics. The conference is aimed at the following priority scientific tasks of the Center: interaction and scientific cooperation with the world's leading Indologists, conducting field research, establishing contacts in the field of Sanskritology, getting acquainted with the scientific traditions of India in the field of cognition methodology

In the conference program:

- round table: "DigitalIndology".
- scientific seminar: "Philosophical triptych: meaning-text-culture". Topic of the meeting: "Logical-semantic theory of A. Smirnov and Theory of civilization-specific rationalities of A. Paribka".
- scientific seminar: "Hermeneutic circle: breakpoints" Session topic: "Situational hermeneutics of R. Pskhu".
- scientific seminar: "Philosophical IndologyIndology". Theme of the session: "“Yoga Sutras” by Patanjali and his Arabic paraphrase of Biruni”.
- Scientific seminar: "Intellectual theater".

Messages of a non-monological nature are welcome, i.e. designed for a discussion on the spot.
