Terms and Conditions:

Transport facility is for complete one year. However, if any student Opts College Transport for only one semester, 60% of the Annual fee will be applicable.

The Anand-ICE

Management has introduced a scheme for its female students, wherein they can avail the college transportation facility free of cost. Following are the guidelines for the same:

1. The scheme is applicable to all the female students of Anand-ICE for the session 2025-26, subject to the availability of seats in the buses.
2. The transport facility can be availed only from the already existing routes.
3. The priority will be given to the regular users of the transport facility.
4. The free transport facility is available on the first come first serve basis.
5. The female students need to register for this facility, in order to avail the same.
6. Registration for transport facility does not provide guaranteed seat in a bus.
