NOTICE

Abroad Summer Training Scholarship

The Anand International College of Engineering awards the Abroad Summer Training Scholarship to its third-year students since its inception. Carrying this forward, the institute is inviting the 2023 batch students to apply for this program. We are delighted to announce that we will be offering an Abroad Training Scholarship for upto 20 students.

The scholarship extends golden opportunity to the students for getting exposure abroad and widen their knowledge base. The benefitted alumni of the institute happily briefed about this.

The Objective of the Scholarship:

The objective of the Abroad Scholarship is to provide the opportunity to Students to get a better comprehensive learning in real professional and research environment. Additionally, more than ever, it is necessary for graduating students to be globally competent engineering professionals, and one of the best ways to achieve this is through travel and exploration. This internship is aimed at helping the students to acquire the practical knowledge in the area of specialization at renowned universities that they will be choosing for expanding their knowledge base and brighten career.

The scholarships are available as given below:-

Group	Eligibility	Scholarship Benefits	No. of Scholarship
Group A	<ul style="list-style-type: none">Only top 10 position holders of each branch can apply.Minimum 50% marks in STAT	Full Air fare# + Training Fee	5*
